Eden - Willows Director

Hi there, I'm Eden— often referred to as “EE” by the students. This is my sixth year at Medford Montessori and my third year as the Willows Director. I am a trained singer and adore music and the way it brings people together. In addition to singing, I also am trained in dance and love crafts of all kinds, including sewing, painting and drawing. If it's a craft, I have more than likely tried it or have supplies for it at my house. My goal for this year is to introduce new ways to be creative and crafty.

I am thrilled to be heading this program and cannot wait to meet or get reacquainted with all the students who join us this year.

This school year, Willows will have various assistants helping make this program wonderful!
