TUITION RATES FOR THE 2026-2027 SCHOOL YEAR

PRESCHOOL THRU GRADE 5 MON - FRI \$975.00 a month

Tuition is based on a ten month plan. A full month's tuition is required for the month of June.

FEES AND DISCOUNTS: Holidays and vacations periods are not deducted from monthly fees. For families with siblings enrolled, there is a fee reduction for each additional child enrolled. The second child (and each additional child) will take a fee reduction of \$30.00/a month or \$300.00/a year. This is the only discount we offer for payment.

PAYMENT OF TUITION: Fees are due and payable during the first week of every month. Payments may be made by cash, check, or by check mailed monthly from your bank. If tuition is outstanding by the end of the month, your child will not be able to continue attending school until the tuition has been paid.

A LATE FEE OF \$25.00 WILL BE ADDED IF TUITION IS PAID AFTER THE TENTH OF THE MONTH.

WILLOWS' EXTENDED DAY CARE: Extended day care will be offered daily from 15 minutes after your child's dismissal time until 5:30PM.

Rates: OPTION ONE: Unlimited days for \$245.00 monthly.

OPTION TWO: "Drop-In" - The Willows' teacher will record your child's presence and you will be billed \$18.00 for each day during the month that your child stays for Willows. If your child's Willows' balance exceeds two months without being paid, you will no longer be able to use the Extended Day Care program. Once the balance is paid, the student may resume their attendance in Willows.
